

Gainful Employment Disclosures – 2019

Program Name: Diesel Service Technology Certificate

This program is designed to be completed in one year.

This program will cost \$12,166 if completed within normal time. There may be additional costs for living expenses. These costs were accurate at the time of posting, but may have changed.

Tuition & regularly assessed fees for Indiana & Illinois students: \$6466

Books & supplies estimate: \$1298

Course & program fees: \$852

Tools/specialty equipment: \$3550

Total Out of state: \$20,766

If living on campus, add room & board estimate: \$9990

Because fewer than 10 students completed this program in 2017-2018, no median loan debt has been calculated.

To our knowledge no States have licensure requirements for this profession.
