Dear EPP Leader(s),

IC 20-28-11.5-9 requires the Indiana Department of Education to provide educator preparation programs (EPPs) with an annual report detailing the most recent 1388 matrix data. This report provides you with a variety of testing data, principal and teacher survey responses, staff performance evaluation totals, as well as the additional items required of Senate Enrolled Act 562 (SEA 562). Please note an addendum containing open-ended survey responses will be forthcoming. Although not included in the online version of your report, the open-ended survey questions provide you with a wealth of information and feedback from both program completers and employers. We encourage you to review each response and note any trends, positive feedback, or areas of concern.

As a reminder, SEA 562 requires each EPP post to its respective website all information required in IC 20-28-3-1(1)(g). In June 2019, EPP reporting contacts received updated reporting instructions. As noted, EPPs should plan to begin annual posting of information beginning fall 2019 and preferably no later than March 1, 2020. A copy of the June 7, 2019 SEA 562 memorandum is included with this report.

Please do not hesitate to contact us at sbogan@doe.in.gov or rbaratta@doe.in.gov if you have questions or concerns.

Sincerely,

Scott J. Bogan
Director of Higher Education and Educator Preparation Programs
