Your 2020-2021 FAFSA indicates that your parent(s) did not file a 2018 federal tax return. Since your FAFSA has been selected for verification, if your parent(s) did not file a 2018 tax return, they must try to get an IRS verification of non-filing, which they can request at <https://irs.gov>. If they cannot obtain that, they can affirm that they did not have to file with this document. If both your parents are on your FAFSA and neither had to file, we need two copies of this document—one for each parent. If either or both of your parents did file a 2018 tax return, you must submit a copy of the 2018 tax return transcript or a signed copy of the 2018 federal tax return for each of them.

that I did not file and was not required to file a 2018 federal tax return. I also affirm that I attempted to obtain an IRS verification of nonfiling but was unable to obtain it from the IRS.

I did earn the following in 2018:

Amount	Working at/for
_____	_____
_____	_____
_____	_____

You must submit a copy of the W2s you received for 2018 from any employers listed above. If your pay was in cash rather than reported on a W2, indicate that after the name of the person you worked for.
